George,

Just a short note to let you know how much I appreciated your presentation to my UMKC Graduate Social Work Policy class. They absolutely loved you!

Your presentation was both interesting and informative. Capturing people's attention, imagination and interest for a class on Saturday morning is not an easy task and you were able to pull it off beautifully.

Again, thank you for your time and willingness to present, if there is ever anything I can do for you, please do not hesitate to contact me at any time.

Sincerely,

Cynthia M. Larcom, J.D./M.S.W.
